To get good results as per Vedic Horary Astrology: -

1. Ask a query only when you feel a strong urge to know the answer. Do not ask unnecessarily.
2. Give a suitable gap between two queries. Do not ask one question after another.

Predictions are as per Horary Chart prepared on the basis of the time of asking question. There are other charts to help an astrologer judge a query better.

Name :

Select Time of Query

AM PM

Type a Random Number (For KP Prashna Kundali)

1 - 249 Type a Number from 1 to 249

1 - 2193
